Easy Peel Gourmet Cello Bags

February 21, 2011 - Columbus, Ohio --- Atlapac, an American manufacturer of poly packaging, pouches and bags, announces the arrival of a new material for gourmet cello bags called Easy Peel.

Easy Peel from Atlapac is a clear plastic bag that allows the consumer to peel the bag open easily. This material is the same material used by the largest potato chip maker in the world. Atlapac is rolling out this exclusive new product to offer our clients a slightly tougher premade bag. Try one today. Fill it, seal it, open it, and see why we are bringing Easy Peel to the market.

Benefits:

- No zippering / won't tear easily
- Peels apart like no other Cello bag
- Lower cost verses cellophane
- Ultra clear alternative to cellophane
- Made in the USA – all components

Atlapac consists of a team of Packaging Professionals. The manufacturing facility in Ohio converts a million packages a day.

Atlapac Corporation is a privately held company that has been pioneering innovative packaging products for over 25 years.
